## DartConnect Scoring APP

Season 2022\_2023

Login Details have changed from last season, and it will now be your Dart Connect, E-mail and Password that is required to sign into the scoring app on the day of the match

The image shows a mobile application interface for 'Member Login'. At the top, there is a dark header with the text 'Member Login' in white. Below the header, there are two input fields. The first field is labeled 'email/login' and the second is labeled 'password'. Both fields have a small circular icon with three dots to their right. Below the input fields, there is a block of text: 'Login: Use the login listed in the control panel of the member site'. Below this, there is a 'Pro Tip' section: 'Pro Tip: Create a split screen to show the the scoring app and the member site at the same time'. At the bottom of the screen, there is a large green button with the text 'OK' in white.

If you need to retrieve or change your password, you can do it at My DartConnect:
